Empathy Map Canvas:

What does he THINK AND FEEL?

- Wants a simple and reliable platform to find jobs or skilled freelancers.
- Worries about unreliable users, delayed work, and payment issues.
- Wants secure communication and transparent project progress.

What does he HEAR?

- Friends recommend online platforms for freelancing and hiring.
- Clients expect skilled freelancers and timely project delivery.
- Industry promotes secure and modern freelancing platforms.

What does he SEE?

- Modern landing page with platform features.
- Freelancer profiles with skills, ratings, and project details.
- Admin dashboard showing users, projects, and transactions.

What does he SAY AND DO?

- Creates an account as a Client or Freelancer.
- Clients post projects with requirements and budgets.
- Freelancers search jobs and submit proposals.
- Users communicate, complete projects, and give reviews.

Pain (Fears, Frustrations, Obstacles)

- Difficulty finding reliable freelancers or suitable projects.
- Concerns about delayed delivery and poor communication.
- Fear of payment and account security issues.

Gain (Wants, Needs, Measures of Success)

- Easy connection between clients and freelancers.
- Secure communication and transparent project tracking.
- Smooth process from hiring to project completion.
