

Project Design Phase: Solution Architecture

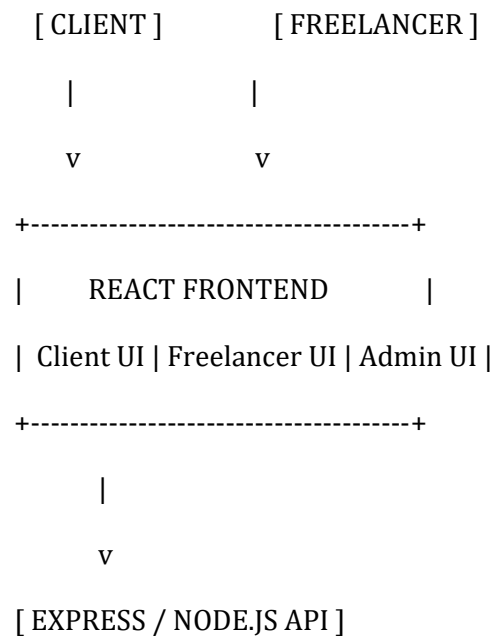

Date	15 February 2025
Team ID	
Project Name	FreelanceHub — Freelancing Marketplace
Maximum Marks	4 Marks

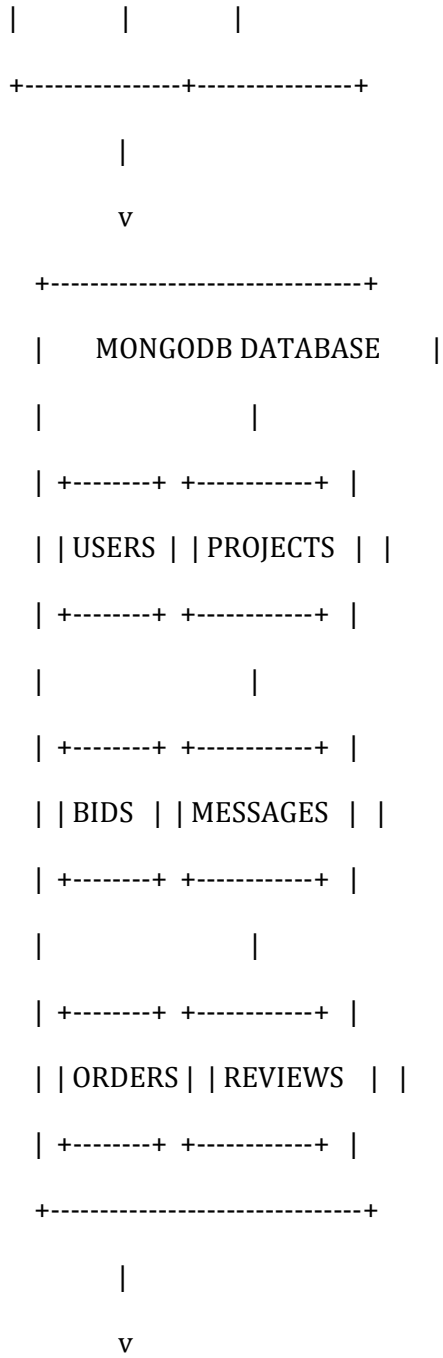

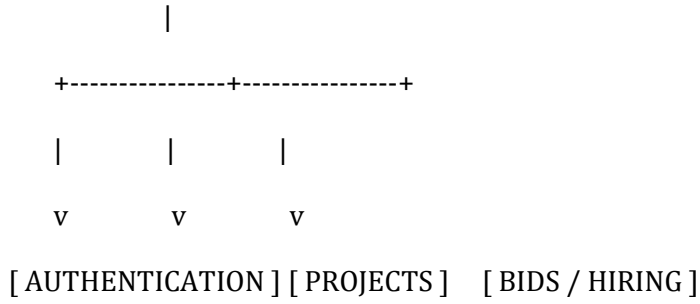

1. Solution Architecture Overview

Solution architecture bridges **business requirements and technical implementation**. Its core objectives for FreelanceHub include:

- Identifying optimal technical solutions for connecting **clients and freelancers**.
- Describing the software structure, components, and behavior for different stakeholders.
- Defining development phases and specific requirements for **user registration, project posting, freelancer bidding, hiring, and project management**.
- Establishing specifications for secure project management, communication, payments, and platform administration.

2. Proposed Solution Architecture Diagram
